- D. Each National Association shall provide to the Committee at least biannually an up to date copy of all governing instruments (e.g., constitution, by-laws and rules) of such National Association. If the Committee recommends changes in any such instruments in the interest of One-Design integrity or the best interests of the Association as a whole, such National Association shall promptly take full reasonable account of such recommendations.

11. **CONDUCT OF ELECTIONS TO THE COMMITTEE**

To be counted, ballots must be returned to the office of the Secretary, or to such other person as the Committee may designate in a communication accompanying the ballot, on or before December 10. The ballots shall be sealed.
- D. Election. The ballots shall be opened and counted by the Committee on December 10 (or the Monday following, if this date falls on a Saturday or Sunday) at such hour and place as the Committee may designate in the manner required for calling a regular meeting of the Committee. The votes shall be tabulated by three or more inspectors of election appointed by the Committee for the purpose, who are not candidates for office and who are, if possible, members of different National Associations. Notwithstanding the foregoing, a suspension may be terminated by a majority vote of the delegates at a General Meeting.

- B. Expulsion. A Member may be expelled by three-fourths vote of the delegates at an Annual General Meeting, with or without cause.
- C. Removal from Office. Any officer may be removed from his office or offices by the Committee for a willful and unjustifiable act of commission or omission detrimental to the Association, the Class or any of their respective members.

13. **AMENDMENTS OF ASSOCIATION RULES**

- A. Proposals for the amendment of the Association Rules may be made only by:
 - (1) the International Sailing Federation, Ltd. or
 - (2) the Committee (as defined in 3(E) herein) or
 - (3) a National Association following the affirmative vote of at least a majority of all its eligible voting members at a duly convened meeting of such National Association and following compliance with all other requirements established by such National Association in connection with the making and approval of proposals of amendment.
- B. The proposed amendment must be filed with the Committee in writing. The Committee shall thereafter publish such proposed amendment in the notice given for the first ensuing Annual or Special General Meeting that is scheduled to convene at least twelve (12) weeks after the date of receipt of the proposed amendment by the Committee. The requirements of Rule 8(C) of these Rules shall apply to require at least eight (8) weeks' notice to the Members of the placement of such proposed amendment on the agenda of such Annual or Special General meeting.
- C. To be approved at such Annual or Special General Meeting, the proposed amendment must receive the affirmative votes of at least one-half of the Active Members present or represented at the Annual or Special General Meeting. If such proposed amendment is so approved, then within a reasonable time it shall be submitted in writing to all the Active Members for a vote by ballot. To be approved by the Active Members, the proposed amendment must receive the affirmative vote of two-thirds of the written ballots properly completed and filed with the secretariat within forty-five (45) days following the date on which the mailing of ballots to the Active Members was completed. Only the written ballots of Active Members entitled to vote shall be considered.
- D. If a duly proposed amendment to these Rules has been approved at an Annual or Special General Meeting and by the Active Members as herein above provided, then it shall take effect on March 1 next following the

later of:

- (1) the approval by Active Members as hereinbefore provided and
- (2) approval by the International Sailing Federation (“ISAF”) in accordance with the then outstanding agreement between the Association and ISAF.

Notice to such effect shall be sent by the Association to each National Association and then by the latter to their respective Members, without undue delay.

- E. Any Active member for or against a proposed amendment may set forth his views at his own expense on one sheet of typed or printed matter in sufficient number of copies to be enclosed with each Member’s notice of the Annual or Special General Meeting at which such amendment is to be voted upon, or to be enclosed with each Active Member’s ballot thereafter sent as provided in (C) above; provided, however, that the Committee shall have the discretion to select one or more representative expressions of views for inclusion in such mailings if it judges that the added mailing expense to the Association would be excessive were all such expressions to be included.
- F. Notwithstanding the foregoing provisions of this Rule, no amendment of these Rules shall take effect without the unanimous prior written approval of the Elected Members and Appointed Members of the Committee, in addition to the approvals herein before provided for, if such amendment would:
 - (1) change Rule 2 or Rule 4(F) of these Rules or
 - (2) render ineligible for racing an Etchells or a Member whose eligibility had been clearly established under these Rules and whose status could not reasonably be changed to conform with the proposed amendment or
 - (3) retroactively affect adversely the right of any Member or any National Association or
 - (4) diminish the jurisdiction of the Association as set forth in these Rules.
- G. If the timely discharge of obligations of the Association to the ISAF (or any affiliate or representative organization of the ISAF) that are undertaken in respect of proposed amendments operates to prevent the handling of any such proposed amendment on the schedule established in this Rule, then the Committee is authorized and directed to extend (but not shorten or accelerate) any one or more of the periods or dates herein established for processing of such proposed amendment only.

14. **PURPOSE**

Notwithstanding any other provision of these Association Rules, the Association is organized exclusively to foster national or international amateur sports competition (but only if no part of its activities involve the provision of athletic facilities or equipment) as specified in section of 501(c)(3) of the U.S. Internal Revenue Code of 1954, and will not carry on any activities not permitted to be

carried on by an association exempt from Federal income tax under section 501(c)(3) of the U.S. Internal Revenue Code of 1954. Upon the dissolution of the Association, the Committee shall, after paying or making provision for the payment of all of the liabilities of the Association, dispose of all assets of the Association in such manner, or to such organization or organizations organized and operated exclusively for charitable, educational, scientific or amateur sports purposes as shall at the time qualify as an exempt organization or organizations under section 501(c)(3) of the U.S. Internal Revenue Code of 1954 (or the corresponding provision of any future United States Internal Revenue Law) as the Committee shall determine.
